2023 End of Year Report

A Message from Our Executive Director & Board President

Hello Everyone,

It is our pleasure to lead HFLA along with our generous and dedicated board of directors.

We believe in the work HFLA does and the people we help, and we appreciate every individual who supports our work.

HFLA offers financial support for the Jewish community across Washington State, and this year, 70 families benefitted from one or more of our programs. Each person we helped was a pleasure to work with.

Today, a large portion of our funds were donated generations ago. It is amazing to think that a donation made one hundred years ago, no matter how small, could still be circulating, helping someone five generations in the future to avoid losing their home, enable them to fix their car, to pay their medical bills, to go to college, or to open a business.

As we look forward to 2024 and considering the tragedy of October 7, 2023, we remain steadfast in our efforts to help students attain a higher education degree.

We need young Jewish leaders to have seats at the table, where advocacy and diplomacy for the Jewish people and Israel are debated, and decisions are made. Education is the key to unlocking the doors to those positions. So we must help students and their families afford higher education.

With your support, HFLA will continue providing resources for individuals who need help making ends meet and avoiding unnecessary hardship. We will also remain focused on providing higher education programs that are affordable, student centered, and equitable.

In this new calendar year, let us wish for peace and the safe return of all the hostages.

Shalom,

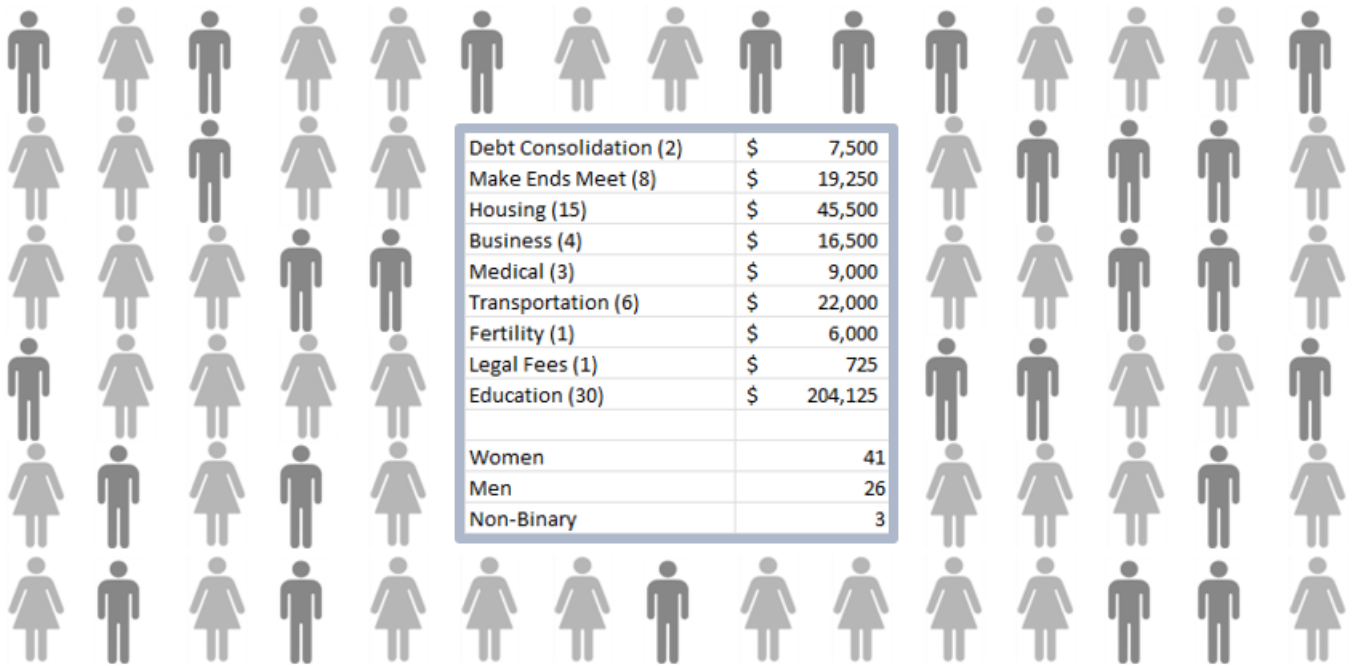

Maura Roberts

What our clients say:

♥ *"I just did a mobile deposit of the check And honestly, I wanted to cry when I opened the envelope. Please share my deep thanks to everyone at HFLA. You should all be proud of yourselves for the way you look out for people who are going through difficulties. It is truly a muswa (mitzvah)."*
